Professional Development

The **#1** fear people in the workplace face

Right now, if someone asked you to give a speech, how would you feel? Suppose you were asked to speak to:

- The Chamber of Commerce
- A prospective customer
- A committee
- Address a team meeting
- The board of directors and provide an update

If you are someone who wants to have more impact when you speak, my program is for you. When talking one-on-one or to a group large or small.....

Present Like a Pro

will give you more confidence and bring out your full speaking potential. By following a few simple guidelines, you can expect immediate improvement in your speaking style. The time spent in this program is a valuable investment in you. The benefits will last a lifetime.

Gain more confidence when you are able to capture everyone's attention, speak with conviction, emphasize several points and bring your talk to a powerful close knowing you did your best.

Present Like a Pro is a program in which you fully participate to sharpen your presentation skills. Through a series of exercises you transform your speaking style into a powerful communication tool. In addition to being more "listenable" your confidence will soar and people will want to act on what you say. Whether you need help on a specific presentation or want to grow your speaking skills overall, this program has a great deal to offer. You will see an improvement from your first effort, right there in the workshop. It may be for the first time you will welcome an opportunity to speak.

Present Like a Pro is also available as a one-on-one coaching experience.
